

WELCOME, CSA MEMBER!

THE END OF A SEASON

The weeks have come and gone so fast 
But the memories made will forever last.

We travelled far and wide
From city to country side.

We picked, we planted, and weeded a lot 
Always wishing it was slightly less hot.

We watched as the seeds slowly grew
Into beautiful things covered in dew.

We sang, we smiled and laughed a little too 
Making the produce bags just for you.

We started as strangers,
But have come to see

That our team has become a family. 
We would like to take this opportunity

To thank you for embarking
On this remarkable journey.
